Heating Element

Warranty 1  
Year

## ELECTRIC KETTLE

Kettle is a handy appliance that makes your work easy and less time-taking. Using a pan for boiling water is not only time taking but also exposes you to the risk of burns. With an electric kettle, you don't need to go to the kitchen every time you need a cup of tea or boil a glass of water. Feel convenient with RG Lite kettle and make your favorite beverage within a short span of time.
