

Garmi Ki Dawa

MR. GIRISH KUMAR

FOUNDER

We strive to offer the best quality products at the most economical price. We change the rules of marketing using product and design innovation with the stress of strong after-sales services.

Few inspirational words from our founder:

Great visions are built on the foundation of bold ideas, unwavering dedication, and the belief that challenges are opportunities in disguise. At RG Lite India Pvt. Ltd., we are committed to creating a future where innovation, integrity, and impact drive everything we do. Together, let's shape a world that inspires progress and empowers people.

ABOUT US

OUR VALUES:

Our Values lies in the satisfaction of consumers. We want to be a part of every household with the help of quality products we make, which make their lives easy

OUR PHILOSOPHY:

We strive to offer the best quality products at the most economical price. We change the rules of marketing using product and design innovation with the stress of strong after-sales services

OUR CORE STRENGTHS:

Which set us apart. Continuous Innovation Quality & Robust Built Commitment to Quality & Maintaining Relationships.
